The question is whether the District Board, Bangalore can be compelled to contribute Rs 8000/- towards the costs incurred for the construction of a Town Hall at Channapatna

2-2) In G O No 6457-60/Rll 168-25-16 dated 16th April 1928, Government directed that the Board should contribute the sum mentioned on two grounds -

1) That the proposed construction is one falling within the purview of sec 45(1)(n) of the Dt Bd Regn

& 2) That ~~as~~ the surplus balances of the Channapatna Taluk Bd amounting to about Rs 13000/- odd have been credited to the Dt Bd.

2-3) It is submitted that both the reasons appear to be insufficient in law, to make it obligatory on the Dt Bd to incur the expenditure in question and consequently ~~action~~ Coercive action under sec 96 of the Dt Bd Regn cannot be taken, since such action is possible only if the Board has failed to perform "any duty imposed on it by or under this Regulation."

24) Section 45 (1) (n) of the Dt Bd Regn imposes the duty of constructing & maintaining buildings of public ~~utility~~ utility only "within the area subject to the authority" of the Dt Bd concerned. Now under sec 4, the area within a Municipality is explicitly excluded from the jurisdiction of the Dt Bd and it therefore follows, that the Bangalore Dt Bd has no duty to either construct or maintain ~~or to expend its funds for such construction~~ a town hall within the Channapatna municipality or to expend its funds for such purpose (Vide sec 65 of the Regn).

25) Again the balances of the Channapatna Taluk Board have vested in the Dt Bd under sec 43 of the Dt Bd Regn - & they are therefore "subject to all rights, if any, existing over and all debts & liabilities & obligations, if any affecting such property". Now under sec 4 of the Local Board Regulation VI of 1918, a municipal area ~~is to be excluded from~~ lies outside the area under the authority of a Taluk Board and under sec 27(2) of the same Regn, the Taluk Board was

27) The principle laid down in S. 45(1) governs every clause enumerated under it, and it is not sound to contend that cl. (n) abrogates the governing principle contained in S. 45(1).

28) If there was no obligation on the Talaimannar B.C. at the time of its abolition, how is the D.C. Board to discharge an obligation which was non-existent?
